

THURSDAY, JUNE 18, 2026

	Room 1 - Banqueting Hall Level -2	Room 2 - N. Skalkotas Level -1	Room 3 - MC 3 Level -1	Room 5 - Agora 1 Level 0	Room 6 - Agora 2 Level -2	Room 4 - MC 2 Level -1 Dissection Room	Room 7 - MC 3.2 Level -1	Room 8 - MC 3.4 Level -1
	Anterior Skull base	Rhinology 1	Rhinology 2	Anterior Skull Base / Orbit	Brain / Vascular	Dissections	Imaging	Oral presentations
07.00-07.30	Registrations							
08.00-09.00	Round Table 1 Pituitary Adenoma Surgery	Round Table 2 Rhinosinusitis	Round Table 3 Frontal sinus surgery - Basic Approaches	Round Table 4 DCR	Round Table 5 Endonasal Aneurysm Surgery	Dissections	Imaging of paranasal sinuses	Oral Presentations
09.00-10.00	Round Table 6 Anterior Skull Base approaches	Round Table 7 Nasal Polyposis 1	Round Table 8 Frontal sinus surgery - Extended approaches	Round Table 9 Skull base reconstruction	Round Table 10 Intraventricular Tumors 1	Dissections	Imaging of pituitary	Oral Presentations
10.00-10.30	KEYNOTE LECTURE 1	Instructional Course						
10.30-11.00	BREAK							
11.00-11.30	KEYNOTE LECTURE 2	Instructional Course						
11.30-12.30	Round Table 11 Management of Skull Base Defects After Extended Endoscopic Surgery	Round Table 12 Inverted papilloma	Round Table 13 Nasal polyposis 2	Round Table 14 Pediatric tumors and skull base	Round Table 15 Endoscopic assisted craniotomy	Dissections	Imaging of skull base	Oral Presentations
12.30-13.30	Round Table 16 Functional PITnet	Round Table 17 Medial maxillectomy / pre lacrimal approach	Round Table 18 Sinonasal malignant tumors	Round Table 19 Chordoma and chondrosarcoma	Round Table 20 MMA Embolisation (Embolise trial)	Dissections	Imaging for sinonasal malignant tumors	Oral Presentations

THURSDAY, JUNE 18, 2026

		Room 1 - Banqueting Hall Level -2	Room 2 - N. Skalkotas Level -1	Room 3 - MC 3 Level -1	Room 5 - Agora 1 Level 0	Room 6 - Agora 2 Level -2	Room 4 - MC 2 Level -1 Dissection Room	Room 7 - MC 3.2 Level -1	Room 8 - MC 3.4 Level -1
		Anterior Skull base	Rhinology 1	Rhinology 2	Anterior Skull Base / Orbit	Brain / Vascular	Dissections	Imaging	Oral presentations
13.30-14.30	LUNCH	INDUSTRY SYMPOSIA	INDUSTRY SYMPOSIA	INDUSTRY SYMPOSIA					
14.30-15.30		Round Table 21 Pituitary Apoplexy	Round Table 22 Sinonasal Malignant tumors	Round Table 23 Juvenile Nasopharyngeal Angiofibroma	Round Table 24 Prolactinoma treatment	Round Table 25 Endoscopic assisted brain hematoma removal	Dissections	Imaging CSF leaks	Oral Presentations
15.30-16.30		Round Table 26 Rathke's and Other Cystic Sellar/ Suprasellar Lesions	Round Table 27 Sinonasal Malignant tumors	Round Table 28 Juvenile Nasopharyngeal Angiofibroma	Round Table 29 Petrous Apex Cholesterol Granulomas	Round Table 30 Minimally Access to Cavernomas	Dissections	Imaging and anatomy meckels cave	Oral Presentations
16.30-17.30		Round Table 31 Complications in Anterior Skull base surgery	Round Table 32 Sinonasal Malignant tumors	Round Table 33 Esthesioneuroblastomas	Round Table 34 Must know in skull base imaging	Round Table 35 Intraventricular tumors 2	Dissections	Imaging of the frontal sinus pathology	Oral Presentations
17.30-18.00		BREAK							
18.00-19.00		Instructional Course 1 Transsphenoidal approach	Instructional Course 2	Instructional Course 3	Instructional Course 4	Instructional Course 5	Instructional Course 6		Oral Presentations
20.00		Opening Ceremony							

FRIDAY, JUNE 19, 2026

	Room 1 - Banqueting Hall Level -2	Room 2 - N. Skalkotas Level -1	Room 3 - MC 3 Level -1	Room 5 - Agora 1 Level 0	Room 6 - Agora 2 Level -2	Room 4 - MC 2 Level -1 Dissection Room	Room 7 - MC 3.2 Level -1	Room 8 - MC 3.4 Level -1
	Anterior Skull base	Rhinology 1	Rhinology 2	Anterior Skull Base / Orbit	Brain / Vascular	Dissections	Imaging	Oral presentations
08.00-09.00	Round Table 36 Sponateous CSF leaks	Round Table 37 Endoscopic Septoplasty	Round Table 38 Severe epistaxis	Round Table 39 Surgical anatomy of the orbit	Round Table 40 MIS / Endoscopic Management of Spinal Conditions		Pituitary adenomas non functional	
09.00-10.00	Round Table 41 Craniopharyngioma	Round Table 42 Endoscopic Nasopharyngectomy/ TORS	Round Table 43 Epistaxis	Round Table 44 Transorbital approach to the skull base	Round Table 45 Management of Degenerative Spinal Conditions	Dissections	Pituitary adenomas functional 2	Oral Presentations
10.00-10.30	KEYNOTE LECTURE 1	Oral Presentations	Oral Presentations					
10.30-11.00	BREAK							
11.00-11.30	KEYNOTE LECTURE 2	Oral Presentations	Oral Presentations					
11.30-12.30	Round Table 46 Internal carotid artery	Round Table 47 Radionecrosis and other Radiation Complications	Round Table 48 Ossifying tumor	Round Table 49 Orbital Decompression	Round Table 50 Complications in Endoscopic / Minimally Invasive Spine Surgery	Dissections	Neuromonitoring	Oral Presentations

FRIDAY, JUNE 19, 2026

	Room 1 - Banqueting Hall Level -2	Room 2 - N. Skalkotas Level -1	Room 3 - MC 3 Level -1	Room 5 - Agora 1 Level 0	Room 6 - Agora 2 Level -2	Room 4 - MC 2 Level -1 Dissection Room	Room 7 - MC 3.2 Level -1	Room 8 - MC 3.4 Level -1
	Anterior Skull base	Rhinology 1	Rhinology 2	Anterior Skull Base / Orbit	Brain / Vascular	Dissections	Imaging	Oral presentations
12.30-13.30	Round Table 51 Managing Arterial Injury during Endonasal Surgery	Round Table 52 Extended surgery	Round Table 53 Allergic Rhinitis	Round Table 54 Orbital tumors intraconal	Round Table 55 Spinal endoscopic procedures	Dissections	Functional imaging in pituitary adenomas	Oral Presentations
13.30-14.30	LUNCH	INDUSTRY SYMPOSIA	INDUSTRY SYMPOSIA					
14.30-15.30	Round Table 56 Clival pathology	Round Table 57 Revision FESS	Round Table 58 Allergic Rhinitis	Round Table 59 Orbital tumors extraconal	Round Table 60 Endoscopic Lateral Skull Base	Dissections	ARS Session	Oral Presentations
15.30-16.30	Round Table 61 Clival surgery	Round Table 62 Septal Perforation	Round Table 63 Olfactory considerations in treatment of skull base pathology.	Round Table 64 Optic nerve decompression	Round Table 65 Endoscopic approach to the ventral brainstem	Dissections	Hellenic Rhinology Society session	Oral Presentations
16.30-17.30	Round Table 66 Clival surgery complications	Round Table 67 Rhinological perspectives of pituitary surgery	Round Table 68 Granulomatous diseases of sinuses	Round Table 69 Complications in orbital surgery	Round Table 70 CPA angle tumors	Dissections	Hellenic Neurosurgical Society Session	Oral Presentations
17.30-18.00	BREAK							
18.00-19.00	Instructional Course 9	Instructional Course 10	Instructional Course 11	Instructional Course 12	Instructional Course 13	Dissections	Junior Session	

SATURDAY, JUNE 20, 2026

	Room 1 - Banqueting Hall Level -2	Room 2 - N. Skalkotas Level -1	Room 3 - MC 3 Level -1	Room 5 - Agora 1 Level 0	Room 6 - Agora 2 Level -2	Room 4 - MC 2 Level -1 Dissection Room	Room 7 - MC 3.2 Level -1	Room 8 - MC 3.4 Level -1
	Anterior Skull base	Rhinology 1	Rhinology 2	Anterior Skull Base / Orbit	Brain / Vascular	Dissections	Imaging	Oral presentations
08.00-09.00	Round Table 71 360 approach to the skull base	Round Table 72 Biologics and chronic sinusitis	Round Table 73 Rhinoplasty	Round Table 74 Transcranial approach to the orbit	Round Table 75 Trauma to the lateral skull base	Oral Presentations	Junior Session	Oral Presentations
09.00-10.00	Round Table 76 Endoscopic non transnasal approaches	Round Table 77 Surgery and biologics	Round Table 78 Rhinoplasty	Round Table 79 Meningocele	Round Table 80 Petrous apex pathology	Dissections	Junior Session	Oral Presentations
10.00-10.30	KEYNOTE LECTURE 1	Oral Presentations	Oral Presentations					
10.30-11.00	BREAK							
11.00-11.30	KEYNOTE LECTURE 2	Oral Presentations	Oral Presentations					
11.30-12.30	Round Table 81 Combined open and endoscopic approaches	Round Table 82 Biologics in NP	Round Table 83 Rhinoplasty	Round Table 84 Endoscopic orbital surgery - how far should we go?	Round Table 85 Endoscopic ear surgery	Dissections		Oral Presentations

SATURDAY, JUNE 20, 2026

		Room 1 - Banqueting Hall Level -2	Room 2 - N. Skalkotas Level -1	Room 3 - MC 3 Level -1	Room 5 - Agora 1 Level 0	Room 6 - Agora 2 Level -2	Room 4 - MC 2 Level -1 Dissection Room	Room 7 - MC 3.2 Level -1	Room 8 - MC 3.4 Level -1
		Anterior Skull base	Rhinology 1	Rhinology 2	Anterior Skull Base / Orbit	Brain / Vascular	Dissections	Imaging	Oral presentations
12.30-13.30		Round Table 86 Prolactinoma surgery	Round Table 87 Innovations in biologics	Round Table 83 Rhinoplasty	Round Table 89 Meningiomas	Round Table 90 CSF leaks in the lateral skull base	Dissections		Oral Presentations
13.30-14.30	LUNCH	INDUSTRY SYMPOSIA	INDUSTRY SYMPOSIA	INDUSTRY SYMPOSIA					
14.30-15.30		Round Table 91 AI and skull base surgery	Round Table 92 Olfaction	Round Table 93 CF and PCD	Round Table 94 Pituitary stimulation	Round Table 95 Meningiomas	Dissections		Oral Presentations
15.30-16.30		Round Table 96 Surgical Simulation	Round Table 97 ERS Session	Round Table 98 Choanal atresia	Round Table 99 Approach to Meckels cave	Round Table 100 Controversy - Tubular retractors versus Purely endoscopic approaches to the lateral ventricles	Dissections		Oral Presentations
16.30-17.30		Round Table 101 Future of Endoscopic surgery	Round Table 102 CEORL-HNS Session	Round Table 103 Pediatric tumors and skull base	Round Table 104 Trauma	Round Table 105 Endoscopic lateral skull base surgery - how I do it	Dissections		Oral Presentations
17.30-18.00		BREAK							
18.00-19.00		Instructional course	ARS Session	Endoscopic treatment of hydrocephalus (pediatrics)	Instructional course	Instructional Course	Dissections
